President's Message

COL Eunice Patxot, USA (Ret)

Greetings to our Sun City Center Chapter family,

It seems like we haven't seen you in months! Well, it has been months, and we are excited to be seeing you in about 4 weeks. Hope you have enjoyed the summer break and are just as excited as we are to return to our monthly meetings on September 6.

At the next meeting, we are excited to have Dr. Sarah Tillman from the VA Audiology as our guest speaker. Although we try to incorporate military topics at most of the meetings, it is also important to invite guests who will address practical topics that are relevant to our personal lives. I am sure she will bring a dynamic presentation with useful and pertinent information. We'll make sure to raise the microphone volume 😊.

The year goes by quickly and, when we return, we'll be winding down the year's activities while getting ready for what the new year will bring with regard to speakers, new advocacy commitments, and special activities/events. December is right around the corner, so we'll also start planning the transition to the new board. Speaking of the new board. Did you read the latest chapter email? If not, scan your inbox for the July 28th email, subject, 'From The President'. We are still looking for someone to step up to the challenge as the Membership Chair. It's not too bad. Walt Cawein served as the Membership Chair for 4 years and he survived 😊! In all seriousness, all the volunteer positions are important, but we need someone to keep the pulse on our recruitment and retention of our members. Our goal is to continue to grow at least 12 members every year. And to all the members who have already said 'Yes', THANK YOU!

Enjoy the rest of the break. Call a fellow member and make plans to attend our next meeting on Sep 6 together and remember, '*Never Stop Serving*'.

September 2023 Program

**Dr. Sara Tillman, Clinical Audiologist,
James A. Haley VA**

Dr. Sara Tillman received a B.A. from Florida State University, Tallahassee in 2003. She completed an Au.D. Degree (Doctorate of Audiology), from the University of Texas at Dallas in May 2010 and accomplished an Au.D. Externship, at the San Diego Veterans Affairs Medical Center, San Diego, California, June 2009-June 2010.

The American Academy of Audiology oversees all the requirements of the Au.D. degree. Every student pursuing a degree in audiology must complete a full rotation of clinical experience, which includes working with experienced audiology professionals, in a wide variety of clinical settings and with a wide variety of patients.

Dr. Tillman has specialized in Veteran's Affairs Health Care. She started out completing comprehensive audiological examinations and Compensation and Pension exams for veterans. She counsels Veterans with hearing loss, their families, and caregivers regarding the effectiveness of devices and aural rehabilitation. She has integrated psychological conditions into aural rehabilitation programs and ongoing counseling with mental health professionals.

Her resume includes work at San Diego Veterans Affairs Healthcare System, North Texas Veterans Affairs Healthcare System, and James A. Haley Veterans Affairs Medical Center, Tampa, FL. In addition, Dr. Tillman has supervised, instructed, and evaluated the performance of Au.D. students and externs.

The topic of Dr. Tillman's presentation will be Audiological Care at the VA.

Benny Blackshire

Greetings! I hope everyone enjoyed their summer and tried to keep cool when possible. We took a break in July and August but now we are getting ready for the next chapter meeting on September 6th, in the Florida Room, from 11:00 am – 1:00 pm.

We still need some volunteers to sit at the luncheon reception table to check people in. June was Bob and Marion Pitcher's last month at the table. If you are a regular attendee or just come occasionally, you can still volunteer. We hope to have several volunteers so you will only be needed when you are coming to the luncheon. Volunteers would start at 10:30 am on the day of the luncheon. Contact Benny Blackshire, at 813-260-3105 if you can be a backup receptionist.

Here is an article titled, "Smiling at the Past" from DAILY DEVOTIONS FOR SENIORS, by Christine A. Dallman.

A peek into the past can reveal tidbits that can make us smile. One amusing story dates back a century to the town of Evanston, Illinois (nicknamed "Heavenston" for the religious zeal of its citizens). The town officials were concerned about the fountain store's effects on piety. To curb patronage of these stores on Sunday, these leaders made it a regulation that no ice cream sodas could be sold on that day (Sunday). Complying with the ordinance, but having the savvy to sidestep it, some of the fountain store owners successfully promoted a new dessert; ice cream served with a flavored syrup but with no soda. It was called the "Sunday soda" and was a favorite with many customers. When the popular treat was ordered on weekdays, a number of people voiced opposition to its being named for the Lord's Day. In compliance with this concern, the spelling was changed and has remained as the dessert we know today as the "Ice Cream Sundae."

History is full of interesting and humorous events. Even our personal history has its laughable moments. Reading books about the lighter side of history and reflecting on our own misconceptions, foibles, and silly mistakes can enliven our day with laughter.

Prayer: God, thank you for the funny side of life that is often seen more clearly in hindsight. I hope to see everyone at the September 6 meeting/luncheon.

Director, Surviving Spouse Liaison

Lawrence (Larry) V. Rivera is more than just a member of MOAA Sun City Center Chapter. Larry has become a trusted friend and an amazing resource for our military members, surviving spouses, caregivers, and really anyone who crosses his path. Larry has a 24-year military record with service in the Army's Active, Reserve, and Guard components. The common thread throughout his military and civilian life has been his activism in military/veteran family support initiatives. His avocation as a military activist began amidst his veteran support activist parents and grandparents. Lawrence grew up as a bilingual advocate for veterans and military families and remains active with the American Red Cross program of "Service to the Armed Forces."

Larry is a member of various veteran fraternal organizations and is currently serving as an adjutant for the DAV Sun City Center. He previously served as a volunteer mentor with the Veterans Treatment Court of the 13th Judicial Circuit Court. He is employed as a recovery care coordinator for wounded, ill, and injured military personnel, and a special case advocate for Gold Star, Blue Star families, and military family members with special needs at the Warrior Care Program at MacDill AFB.

Larry was instrumental in the success of our Military Spouse Forum that took place in April and worked alongside the Surviving Spouses to create an outstanding presentation and Q&A for our community. Larry is an invaluable member of our community. There is no one who cares more for our military families.

- 7th US Marines land on Guadalcanal, 1942
- 9th Atomic Bomb dropped on Nagasaki, 1945
- 15th Hirohito announces Japanese surrender, 1945

What is the Meaning of Patriot Day?

Patriot Day on September 11th is a holiday observed in the United States to commemorate and honor the nearly 3,000 innocent victims who lost their lives in the 2001 terrorist attacks on the World Trade Center in New York City and the Pentagon in Virginia and those who perished when the hijacked United Airlines Flight 93 crashed in Pennsylvania. It also honors the many first responders who risked their lives to save others.

While September 11th is not a federal holiday, Congress in 2001 dubbed it a National Day of Service and Remembrance and named it Patriot Day.
